→ CareCredit or Proceed finance

Carecredit offers up to 6 months of financing interest free (interest will apply after 6 months) and Proceed finance offers a fixed term loan option that will help spread out your monthly payments over the course of a year or more.

A word about your dental insurance-

We are happy to help you maximize your benefits and will directly bill your dental insurance for reimbursement. We do collect in full for the total charge of your treatment and the insurance will reimburse you directly. We are not contracted with any insurance.

Also please keep in mind that we never guarantee payment from any insurance company & stress that any quote of benefits is only an estimation.

If you have any questions, please do not hesitate to ask. We are here to help you get the dentistry you deserve.

Scheduling for treatment-

Dr. Moulton will be looking forward to seeing you at your scheduled appointment time. Our team has made sure to reserve this time specifically for you, and Dr. Moulton has prepared for your treatment sometimes weeks in advance.

- At the time of scheduling your treatment appointment, a \$500 deposit will be required to secure your appointment time. This deposit will go towards your total treatment cost.
- If there needs to be a schedule change please give our office at the very least a 72 hour notice.
